

Transportable Skills

Fuel One

- Academic degrees, professional credentials
- Languages, including music and programming languages
- Strengths frequently mentioned by others
- Feedbacks on your emotional intelligence (aka EQ)
- Your talent ledger
 - People you hired or promoted
 - Did they rise and grow in their careers?
 - Would the best ones want to work for you again?

Meaningful Experience

Fuel Two

- Personal travel
- International work assignments
- Worked in a large corporate environment
- Entrepreneurship/start-up experience
- Community / volunteer activities
- Major events, product launches, famous initiatives to which you personally contributed
- Public speaking / writing / performance experience
- Teaching / advisory / mentoring experiences
- Hobbies, activities, and passions outside of work
- Other life experiences and challenges
